SCHOLARSHIP INSTRUCTIONS

Eligibility:

Any person pursuing undergraduate, graduate or vocational courses of study in the field of healthcare engineering.

Submittal Requirements: *(Please type or print legibly)*

- Grade transcripts from most recent school (GPA). Grades should be from the ninth grade through the first semester (or first two quarters of the twelfth grade, or the most current for persons enrolled in courses of study beyond the twelfth grade.
- S.A.T. Reasoning (SAT I) scores (photocopy acceptable). The selection committee acknowledges that some schools do not require S.A.T for acceptance; if you do not have S.A.T scores and your school does not require them, this will not be a disqualifier; please attach an explanation of your situation to your application..
- Community Service must be detailed. Use separate sheet if necessary.
- Essays, brief in nature, are required of all applicants. Essays should be entitled, "*What does education mean to me?*" *What are my goals in the field of healthcare engineering?* The essay should be clearly organized to define your goals and be grammatically correct.
- Letters of Reference, a minimum of three required, one of which must be related to your school activities. A principal, teacher, coach or counselor is acceptable. The other two letters of reference must be from people who can speak to the applicant's character. If employed, one must be from a supervisor.
Applicant should arrange for references to be forwarded to:
